14 FAH-4 H-561 POUCH TAGS

(CT:DPM-1; 06-28-2007)

- a. All containers used as pouches must have a pouch tag attached. The tag must have no other marking other than those listed below.
- b. {Crate} pouches must have the tag stapled on the surface. This ensures that at least one tag will survive to direct the pouch to the correct destination. Seal cords are passed through the tag eyelet on cloth, canvas and plastic bags.
- c. Unaccompanied pouches must bear Form OF-204 (formerly FS-447), Diplomatic Pouch Tag. This is a preprinted tag, or facsimile, completed and signed by an authorized post official, in the following format:

DIPLOMATIC POUCH NO. _____
From the American _____
at _____

TO THE SECRETARY OF STATE,
WASHINGTON, DC

Certified to contain only
official communication and
documents.
(Official Seal)

(Date)

Signature: _____

Title: _____

- d. The standard size of a pouch tag is 7 inches by 4 1/2 inches. (All labels used for air cargo must meet IATA requirements.) This applies to all

pouches dispatched by air cargo.
